

Mortgage Originators

Savings Institute Bank and Trust has immediate openings for enthusiastic Mortgage Originators for the Hartford County and the Meriden/New Haven markets.

Savings Institute Bank and Trust was established in 1842 and is a full service community – oriented financial institution, headquartered in Willimantic Connecticut with twenty one branches. The Bank offers a full menu of competitive mortgage programs from FHA, VA, CHFA, and conventional.

The ideal candidate must have two years of successful mortgage sales experience, must have an extensive knowledge of government programs, and possess wide-ranging referral sources to ensure thriving originations. The candidate should be highly motivated and display excellent communication skills.

The successful originator will be responsible for building new business relationships to promote the Bank's loan products.

Benefits include: Base Pay plus Commission, 401K, paid vacations and holidays, health/dental insurance, tuition reimbursement and bonuses.
